Thanksgiving

The nostalgia of Norman Rockwell art along with the focus on middle school students made this picture a fun piece to talk about. Let this be a great Thanksgiving for you and your family. Promote the positives in your child's experiences. Lakin Middle School as well as the district has great students as demonstrated on Tuesday afternoon at the Celebration of Excellence. Thank you parents and staff for all the hard work during this first part of the year.

In This Issue—IRON MEN FOR THE FARM—By Philip S. Rose

5th Grade Gets a Sweet Lesson

A couple from the high school demonstrates math skills through mixing up a batch of "Puppy Chow". Learning fractions, ratios and proportions through the enticement of food kept students engaged and focused on the activity.

"Character is higher than intellect. A great soul will be strong to live, as well as strong to think."

Ralph Waldo Emerson

Cancer Awareness Bracelets

There are several bracelets on the wrists of students in the building promoting cancer awareness, however, the phrase used has become a distraction in the classrooms. We encourage students to raise cancer awareness through a different channel.
